[TARGET VERTICAL: MSPs / IT SERVICE PROVIDERS]

WHY MSPs

- > Certs = instant credibility
(CCNA, SecurityX, SSCP)
- > They speak your language
- > Manual process overload
- > Nobody targeting them w/ AI
- > Tight community = referrals

WHAT YOU BUILD

- > Ticket triage bot
- > Client onboarding pipeline
- > Alert consolidation
- > Compliance report generator
- > SLA tracking dashboard
- > Internal knowledge bot

THEIR BUDGET

- > Spend \$3K-10K/mo on stack
- > \$500-1,500/mo for automation
- > Saves tech 10+ hrs/week
- > ROI: $\$60/\text{hr} \times 10\text{hrs} = 2,400\text{saved vs } \500 cost
- > They already pay for tools
