RE: Tigoue Theory LLC, HUBZone Initial Application 90849

Qualifying Period Payroll Documentation

I, Emmanuel Tigoue, sole owner and managing member of Tigoue Theory LLC, a Georgia single-member limited liability company (CAGE 18DB8), hereby attest to the following under penalty of perjury pursuant to 28 U.S.C. 1746 and 13 CFR 126.103:

1. ENTITY STATUS

Tigoue Theory LLC is a single-member limited liability company organized under the laws of the State of Georgia. The firm is treated as a disregarded entity for federal income tax purposes. The firm has not made an election to be taxed as a corporation or S-corporation.

2. EMPLOYMENT STRUCTURE

The firm has no W-2 employees and no 1099 contractors. I am the sole worker performing all services on behalf of the firm. I work in excess of 40 hours per week on firm operations including client development, technical service delivery and platform buildout, business development, and back-office administration. I am not employed by any other entity in a capacity that would prevent me from working a minimum of 40 hours per week for Tigoue Theory LLC.

3. PAYROLL STATUS DURING QUALIFYING PERIOD

The firm is in pre-revenue startup phase. No formal payroll has been processed during the qualifying period because:

- a. The firm has not yet generated client revenue sufficient to fund owner compensation;
- b. The firm has not made an S-corporation election that would require W-2 wages to the owner;
- c. As a disregarded entity, owner compensation is taken through owner draws when funds permit, not through formal payroll; and
- d. No owner draws have been issued during the qualifying period due to the firm operating at a net negative position.

4. PRINCIPAL OFFICE AND OWNER RESIDENCE

The principal office of the firm and the residence of the sole owner are both located at 6132 Red Top Loop, Fairburn, GA 30213, which is within a HUBZone Qualified Census Tract through 2028.

5. HUBZONE EMPLOYEE QUALIFICATION

Pursuant to 13 CFR 126.103 (definition of "Employee") and 13 CFR 126.200(d)(1), the sole owner working 40 or more hours per week is treated as an employee residing in a HUBZone for purposes of the 35 percent HUBZone residency requirement. As the sole worker for the firm, I satisfy this requirement at 100 percent.

6. SUPPORTING DOCUMENTATION

Documentation supporting the above is included with this application:

- a. Articles of Organization filed with the Georgia Secretary of State
- b. Certificate of Existence
- c. EIN assignment letter from the Internal Revenue Service
- d. Driver's license confirming Fairburn, GA residence
- e. U.S. Passport for identity verification
- f. Job description outlining the owner's role and time commitment

7. COMMITMENT TO COMPLIANCE

The firm will maintain HUBZone compliance throughout the certification period. If and when the firm hires additional employees, the firm will continue to ensure that at least 35 percent of employees reside in a HUBZone in accordance with 13 CFR 126.200(d)(1).

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.
